## MEMBERSHIP DETAILS

- This Membership enables the member to buy the products and or the services of the Groupe Laurive accredited distributors according to their terms and conditions.
- Signing this form authorizes the Groupe Laurive to communicate information concerning the member's subscription and to obtain velocity reports relating to its purchases from accredited distributors. Notwithstanding the foregoing, the member has no obligation to deal with accredited distributors.
- When joining, the member must advise the Groupe Laurive if there is already a direct agreement with one or more manufacturers on the Groupe Laurive list of partners. This is to avoid any duplication of agreements with our business partners and members. In the event that the manufacturer notifies the Groupe Laurive of an agreement previously established, the Member must indicate on which of the two programs he wishes to obtain his Cash Back.
- The subscription may be cancelled by either party with a thirty (30) days notice.
- The Membership is non-transferable and is no longer valid upon the sale of the member establishment.
- The member will submit his orders directly to the accredited distributors.
